

## A Note from the Commanding Officer. .

NAPS Family & Friends,

Welcome to the Naval Academy Preparatory School (NAPS). We are delighted that you have joined us for this very important weekend. The interest you demonstrate by being here will support your Midshipman Candidate in their academic studies, athletic development and military training at NAPS.

Since Induction Day, the Battalion of Midshipman Candidates has made enormous progress. I have witnessed the Midshipman Candidates bond as a military unit with pride and professionalism. The Class of 2012 is underway at full speed to take its place among the ranks of those who serve selflessly for our country.

Inside this brochure is a schedule of events for this weekend. If at any time you have questions concerning the NAPS academic, athletic and military programs, please feel free to ask me or any member of the NAPS staff.

Welcome aboard! Enjoy your stay and continue encourage your sons and daughters in their pursuit of personal and professional excellence.

Sincerely,

/s/

J. J. Cunha
